

## Higher Education Financial Wellness Alliance Volunteer Opening

### Director of Research

**Position reports to:** Executive Director of HEFWA

**Summary:** The Director of Research helps identify and implement research initiatives that inform financial wellness programming in higher education. As a Director, this position will serve as part of the HEFWA Directorate and will therefore provide oversight to other areas of the organization.

#### **Essential Duties:**

- Identify research opportunities in collaboration with HEFWA leadership
- Oversee and plan HEFWA research initiatives
- Lead a committee of volunteers to carry out research initiatives
- Oversee the creation and distribution of committee produced research
- Collaborate with HEFWA Directors in the areas of volunteer recruitment and engagement, communications, and programming.

#### **Required skills:**

- Excellent ability to organize
- Experience leading a team
- Effective in cross-departmental communication
- Familiarity with research methodologies and survey tools such as Qualtrics

**Estimated time commitment/week:** 5 hours

**Position duration:** Two years, with the opportunity for additional one-year renewal

#### **Benefits:**

- Work with a positive and collaborative team
- Experience on an executive board of a national organization.
- Network with industry experts
- Free Summit attendance or equivalent discount for institutional membership

**About the Alliance:** The Higher Education Financial Wellness Alliance is a network of professionals dedicated to bringing together post-secondary organizations to inform national conversations that impact the financial wellness field, public policy and educational support services. The Alliance aims to be the premier forum for conversations related to financial wellness in higher education. Through programming, policy, and research the alliance will scale impactful solutions and further the national discussion to assist campuses in developing financial wellness for students to support responsible college financing, remove barriers to degree completion, and provide lifelong skills for economic prosperity.
